## VICTORY CONDITIONS

The Russian player wins by being the last side to control with unbroken squads 4 of the multihex buildings on board 3.

## SPECIAL SCENARIO RULES

1. Spotting conditions are average.
2. All hexes of Hill 547 are considered ground level woods.
3. All hexes of Hill 534 are considered open ground.
4. Data Card and the Marker for the JgPz V and terrain overlays for the above two SSRs are available at the ATS On The Table Website.
5. The Anti Tank Magnetic Mines, ATMs, provide a +2 to a units melee value vs Vehicles.

## BALANCE

- ✚ Exchange a LMG MG34 from the German setup forces for a MMG MG34.
- ★ Adjust the number of required buildings in the Victory conditions to 3.
