VICTORY CONDITIONS

The German player wins if he has more VPs at the end of any game turn. Each player receives one VP for each building hex controlled within 5 hexes of 12O5 (maximum of 23), one VP for each non broken/surrendered squad currently on board 12 and 2 VPs for each non M, F or K Killed AFV.

SPECIAL SCENARIO RULES

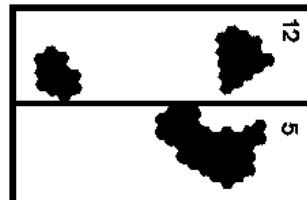

1. Spotting conditions are Hazy.
2. Place overlays as follows ATS 2 BB1-CC1, ATS 3 J8-K8, ATS 4 J4-K5. Overlays are available at [ATS on The Table](#). Building Hex R7 has a +10 level and roof only. LOS is possible through the hex at 0 level indicated by the dashed line.
3. The US player can receive random fighter bomber support consisting of rocket firing Typhoons (use the F4U-4 to represent the Typhoon). During the Indirect Fire segment of each turn the US player rolls 2 die. On a roll less than or equal to that game turn on the white die he receives planes as per the aircraft chart based on the colored die. Once received do not roll in future turns for air support. The US player is awarded 1 VP for each game turn he does not receive air support and a further VP for each plane received less than 3.
4. The American FO may access a 105mm OBA (HE & Smoke). The German FO is setup offboard at a +30 level location on the south edge secretly recorded prior to American Setup. He may access a 81mm Mortar OBA (HE & Smoke)
5. The German 828s are Combat Engineers.
6. The US player has one Elite Tank Commander.
7. All US squads may setup in foxholes in suitable terrain.

BALANCE

★ Add an M4A1 76w to the American OOB.

✚ Replace on Pz IVH with a Pz Vg in the German OOB.
