## VICTORY CONDITIONS

The Germans win immediately when they have amassed at least 10 victory points. Otherwise, the Americans win at game end if they have amassed at least 12 victory points and/or they control building(s) H45/I46.

## MAP LAYOUT

La Gleize. Only hexes numbered 40 or more and south of hex row P are playable

## SPECIAL SCENARIO RULES

1. Spotting conditions are Fog.
2. The German has one elite tank commander.
3. Before the German player sets up, but before he assigns his Elite tank commander, he secretly makes a d6 roll for each vehicle. On a roll  $\geq 5$ , that vehicle is marked Bailed Out. Only two vehicles may be marked Bailed out, stop rolling after a 2<sup>nd</sup> vehicle becomes abandoned or once all vehicles have been rolled for.
4. Each German AFV must be set up on/adjacent to a road hex and must have hex C46 in its VCA / TCA.
5. No German AFV/APC may expend a movement point until a US unit is spotted.
6. See KP special rules in the BW.

## TURN RECORD MARKER
