## VICTORY CONDITIONS

The side that controls the most +30 level hexes wins at game end. If tied, the Canadians must have earned more VP than the Germans to win.

## SPECIAL SCENARIO RULES

- Spotting Conditions are Average.
- All German SS infantry are Die Hard SS. They suffer -2 on overruns and friendly surrendered or broken enemy units in MSR have no effect ..All crews are SS 2|3|9, including vehicles..
- All Infantry units may start in foxholes if in suitable terrain.
- Both the German and British reinforcements have an Elite Tank Commander.
- Use the Goliath Rules from ATS Omaha. The Goliaths may set up Hidden, but if in Canadian LOS after both sides set up, they are immediately revealed and placed on the map. The two initial SS 2|3|9 crews each control a Goliath.
