VICTORY CONDITIONS

Whichever side is the first to exit 14 VPs from the Exit Area wins immediately. The German exit area is the West board edge within one hex of TT24. The American exit area is the East board edge within one hex of FF17. If neither side exits enough VPs to win the Germans win if there are no non broken/surrendered American units within 2 hexes of the paved road from LL20 to FF17 inclusive at game end.

SPECIAL SCENARIO RULES

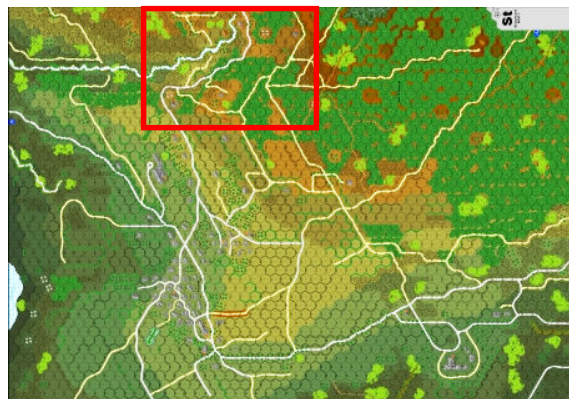

1. Spotting conditions are Fog. SSRs as per KGP BW are in effect except for Soft Ground.
2. The creek is considered to be a River (no entry) and continues off the west edge board via hex TT22. The ford in OO21 does not exist. All **dirt** roads are paths.
3. All German personnel must enter as Passengers. All German units must stay in a road hex until a German unit spots an American unit.
4. No At Start American units may move (crawl or infiltration OK) until an American unit spots a German unit.
5. All AFVs of the 740th Tank Battalion receive a -1 DRM to their rolls on the HPT. In addition all American AFVs have Gyrostabilizers which provide a further -2 DRM to their rolls on the HPT.
6. The 740th Tank Battalion has 2 Elite Tank Commanders.
